## Eastbourne & Brighton

Monday 18th to Friday 22nd April  
 Monday 12th to Friday 16th September  
 Monday 17th to Friday 21st October

Popular Eastbourne is a lovely, elegant seaside town sheltered by the rolling expanse of the South Downs and the towering cliffs of Beachy Head. It enjoys a remarkably mild and sunny climate, therefore earning its reputation as the 'Suntrap of the South'. Noted for its cleanliness, beautiful carpet gardens, the attractive three miles of splendid, flat promenade and, of course, the pier. We feature two contrasting excursions and a train ride to make this a memorable tour.

### YOUR HOLIDAY ITINERARY

**Monday** Our door to door service takes you to the waiting Club Class coach for the leisurely journey to the south coast. We break our journey with a visit to the stunning landscapes and botanical heritage at Borde Hill Gardens. We continue to Eastbourne, arriving late afternoon at our hotel.

**Tuesday** After breakfast we enjoy an excursion along the Sussex coast to the world's tallest observation tower, the i360, situated in the heart of Brighton's famous seafront at the edge of the historic West Pier. We slowly cruise up the world's first vertical cable car to a height of 450 feet from which we enjoy breath-taking 360 degree views. We spend the remainder of the day in Regency Brighton, renowned for its quirky shops in the famous 'Lanes' and cosmopolitan outlook.

The internationally renowned parkland and gardens were laid out in the 18th century by Capability Brown.
